DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES**  
**WC Docket No. 04-5**  
**Comp. Pol. File No. 668**

**Comments Due: January 27, 2004**

**Section 214 Application**  
**Applicant: Viva Telecom, L.L.C.**

On **December 18, 2003**, **Viva Telecom, L.L.C.** (Viva Telecom or Applicant), located at **1844 South 3850 West, Suite A, Salt Lake City, Utah 84104**, filed an application with the Federal Communications Commission (FCC or Commission), requesting authority, under section 214(a) of the Communications Act of 1934, as amended, 47 U.S.C. § 214(a), and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue the provision of domestic telecommunications services in the United States.

The application indicates that Viva Telecom is a limited liability company organized under the laws of the state of Utah, and that it provides domestic long distance services throughout the United States. Viva Telecom states that it is non-dominant with respect to these services. Viva Telecom indicates that it does not have any customers, and that it plans to discontinue service as soon as the necessary governmental approval can be obtained.

In accordance with section 63.71(c) of the Commission's rules, the application will be deemed to be automatically granted on the thirty-first (31<sup>st</sup>) day after the release date of this notice, unless the Commission has notified Viva Telecom that the grant will not be automatically effective. Accordingly, pursuant to section 63.71(c), absent further Commission action, Viva Telecom may not terminate service until February 13, 2004. The Commission will normally authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

This proceeding is considered a "permit but disclose" proceeding for purposes of the Commission's *ex parte* rules, 47 C.F.R. §§ 1.1200-1.1216. Comments objecting to this application must be filed with the Commission on or before **January 27, 2004**. Such comments should refer to **WC Docket No. 04-5 and Comp. Pol. File No. 668**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service. Comments may be

filed using the Commission's Electronic Comment Filing System (ECFS) or by filing paper copies. See *Electronic Filing of Documents in Rulemaking Proceedings*, 63 Fed. Reg. 24121 (1998).
